

King Jesus

Written by: Maurice L. Delamont

All the armies of the world will someday gather
And they'll face before that great reviewing stand
And they'll beat their swords & weapons
 into their plowshare
And the Prince of Peace shall give
 The last command

Chorus:

When King Jesus comes to live with us again
And He'll show His righteous love to every man
Wars and strives will all be past
There'll be peace on earth at last
When King Jesus comes to live with us again

Unobscured the sun will drive away
The shadows of the great eternal day
And there'll be no sound of crying in the ghettos
For all grief, pain, & death shall pass away
